MR PAT MCBRIDE

Dear Mr. McBride

## Review of Planning Agreement with Belfast City Airport

I refer to your letter dated 19th November concerning the above-mentioned issue.

Comments on the proposal will be a matter for the Council's Town Planning Committee. This Committee next meets in January and any decision made is required to be ratified formally by the Council at its meeting on 1st February. However, your letter states that comments should be submitted no later than January 14th. Given that the Council's Committee schedule would not allow Belfast City Council to meet this requirement, I would ask you to extend this deadline until 2nd February in order to permit sufficient time for the views of Belfast Councillors, including those representing the area which the proposals would most effect, to be determined and relayed to the Planning Service.

*James*

*13/12*

I should be grateful if the consultation deadline can be extended until 2nd February for the reasons indicated.

Yours sincerely

ROBIN BOYD  
Members' Support Officer

**Liam Steele** B.A.
