Ms Angela Smith M.P.,

House of Commons,
London.

PRIVATE OFFICE

20 JAN 2005

DOE

Dear Minister,
New Year Greetings.

I am on a flight path
to the City Airport and
welcome the operational review.

The operator of the
City Airport should adopt
the policy at Heathrow Airport
of making double glazing
grants to residents
and businesses near the
Airport.

Double glazing should be
required in new building
near the Airport.

Yours Sincerely,
Alan Junwoody,
Flat 5
16 1/3 Albertbridge Rd
