Quarry Products Association  
(Northern Ireland) Limited

Dear Sir / Madam

The QPANI have been involved in the consultation process for non-householder permitted development from a very early stage and have made a number of recommendations through the Entec Report. We are delighted that our comments and recommendations have been included in the Consultation paper and therefore fully support the changes being proposed.

Yours sincerely,

**QPANI Regional Director**

The peregrine falcon symbol appears in recognition of the outstanding work being carried out by many QPANI companies to protect this important bird of prey
