Waste Management Plan

**The Planning (Management of Waste from Extractive Industries)
Regulations (Northern Ireland) 2015**

**Fermanagh and Omagh District Council Area
Derry City and Strabane District Council Area**

The minerals development planning application at Greencastle, Co Tyrone (Planning Application Reference LA10/2017/1249/F) is accompanied by a Waste Management Plan (WMP) as required by The Planning (Management of Waste from Extractive Industries) Regulations (Northern Ireland) 2015 – ('The Extractive Waste Regulations').

The WMP may be viewed during normal office hours at DfI: Strategic Planning Division, 71 Ebrington Square, Derry-Londonderry, BT47 6FA. It is advisable to make an appointment before calling at the office, Tel: 02871314148. The WMP may also be viewed online at the Planning NI Web Portal via Public Access www.planningni.gov.uk and can be accessed using the reference number LA10/2017/1249/F.

In accordance with the Extractive Waste Regulations, the Department is required to consult the public concerned about the WMP and, in considering whether or not to approve the WMP, shall take into account any comments made by the public concerned.

Written comments should be forwarded to the Strategic Planning Division, 71 Ebrington Square, Derry-Londonderry, BT47 6FA or by email to planning@infrastructure-ni.gov.uk within 21 days from the date of this advertisement.
