

Loughview Park Cemetery, Dundrod – Acknowledgement of High Volume of Representations

Application No: LA05/2016/0700/O

Location: Land north of No.10 Quarterland Road, between Carnaghliiss Road and Quarterland Road, Dundrod

Proposal: Site for a new cemetery including ancillary reception building, maintenance depot, attenuation pond, bridges, new vehicular access, parking, waste water treatment works, associated infrastructure works and demolition of existing farm buildings.

Note: A large volume of correspondence has been received about this planning application. A decision has therefore been taken not to write individually to each person making a representation but to inform them by notification on the Council and Planning Portal Websites, as well as by way of a notice in the Belfast Telegraph on 23 September 2016. These notifications should therefore be taken as acknowledgement of receipt of any representations received on or after 23 August 2016.

All representations will be available to view on the Planning Portal via Public Access using the above planning reference number.
