

Annex A: Retained Planning Applications

Planning Reference	Proposal	Location
A/2009/0759/F	Closure works and reprofiling of former landfill site using inert materials to comply with Landfill Regulations (NI) 2003.	Woodside Road Landfill Site, 48 Woodside Road, Newbuildings, Londonderry
A/2011/0219/F	Proposed installation of an Archimedes screw hydro-electric turbine including fish pass, modifications to existing intake, alterations to existing mill race and construction of a new turbine house	lands adjacent to 41 Lower Ballyartan Road, Lettermuck Claudy, Londonderry, BT47 3SY
A/2011/0237/F	To develop a micro-hydroelectric, renewable energy system (18.5kw) on the Sawel Mountain Stream, to supply electricity exported to the grid.	Turbine House 250m due east of 50 Crockahilly Road, Dreen Park, Claudy, Londonderry
A/2011/0246/F	Proposed redevelopment of hydro-electric scheme to include replacement weir and intake structure, mill race and penstock, new turbine house and water outfall structure	Lands at Ardmore mill complex, Bleach Green, Green Road, Ardmore
A/2012/0553/F	Proposed installation of a fish pass to existing weir. Application associated with current planning application - A/2011/0219/F - Proposed Archimedes screw hydro electric turbine.	Lands Adjacent To 41 Lower Ballyartan Road, Lettermuck Claudy, Londonderry, BT47 3SY
E/2013/0093/F	Construction of an exploratory borehole to a depth of approximately 2700m including conventional exploratory testing to evaluate the potential hydrocarbon reserve in the Rathlin Basin under DETI license pl 3/10 issued to Rathlin Energy Ltd. Site preparation comprising ground works and ancillary operations to include: road widening of part of the Kilmahamogue Road, parking, offices and workshops, earth bunding, flood lighting, wheelwash, storage area, security fence and site restoration on lands at 49 Ballinlea Road, Ballycastle for Rathlin Energy	49 Ballinlea Road, Ballinlea Upper, Ballycastle, Co Antrim
J/2007/0309/F	Amended scheme – A windfarm comprising 6 wind turbines with a hub height 64m (Reduction from 74m), blade	600m East of Koram Television Mast, Koram Hill, Strabane

Annex A: Retained Planning Applications

	diameter (71m), maximum tip height 99.5m (Reduction from 110m) and maximum 2300KW; with upgrading site access tracks, new tracks, gates, site control room, substation electrical cabling, site compound and ancillary development, with a temporary met mast 50m high.	
J/2007/0667/F	Wind farm consisting of 4 wind turbines each with a maximum overall base to blade tip height of 125 metres. Ancillary developments include turbine transformers located internally or externally; turbine hardstands, widening and strengthening of an existing site entrance; an electrical control building with communications antennae; construction of new and amended access tracks and junctions; underground electrical cables and communications lines connecting wind turbines to the control building; on site drainage works; temporary site compound; installation of an 80 high permanent met mast and all ancillary and associated works.	Golandun Dolan, Killeter, Castlederg
J/2008/0240/F	Amendment to proposed Meenakeeran Wind Farm comprising a reduction in turbine numbers from 5 to 4 with a maximum overall turbine height of 115m, (hub height 75m, blade diameter 80m), access tracks, switchyard, control building & substation, anemometer mast	Meenakeeran, Tullycar Road, Aghyaran, Castlederg
K/2009/0920/F	Extraction of sand and gravel by mechanical shovel, processing extracted aggregate through mobile screener, provision of temporary site office, access, wheelwash and temporary fence around the blanket bog.	Lands to the south of Fallaghearn Road, Shantavny, Omagh
K/2014/0246/F	Application under Article 28 of the Planning (NI) Order 1991 for non-compliance with	Lands approximately 165 metres west of no. 45 Camcosy Road, Curraghinalt

Annex A: Retained Planning Applications

	conditions 25 and 26 of approved planning application no. K/2013/0072/F. Conditions 25 and 26 relate to water discharge parameters.	Gortin, Co Tyrone
L/2013/0524/F	Development of Cleggan Quarry with non-compliance of condition 2, 5, 8, 9 and 15 of planning permission L/2002/1296/F	Cleggan Quarry, Boho Road Keelagho, Belcoo
L/2013/0525/F	Regularisation of easterly extension to the existing quarry at Cleggan	Cleggan Quarry, Boho Road Keelagho, Belcoo
M/2013/0162/F	Proposed new road between the Omagh Road (A5) and the Garvaghy Bridge Road (U0303) to replace the existing Garvaghy Bridge Road (U0303) junction with the Omagh Rd (A5) which shall be permananely closed up. Development includes right-hand turning lane on the Omagh Road (A5), and works to improve Shantavany Road and Garvaghy Bridge Road junction	Lands between A5 Omagh Road and Garvaghy Bridge Road to the south east and south west of the junction of Shantavany Road and Garvaghy Road Ballygawley
S/2011/0659/F	Engineering works incorporating the extraction of rock over a 5 year period to facilitate the extension of the existing storage area. Also the construction of a replacement workshop, a fabrication shed and the installation and operation of a replacement concrete plant, aggregate storage bays and retention of a settlement lagoon.	5 Pond Park Road, East Lisburn, Co Antrim, BT28 3RQ
T/2005/1054/F	Landfill Facility for inert Construction and Demolition Wastes.	Parkgate Quarry, Connor Road, Parkgate, Co Antrim.
T/2005/0977/F	Construction of a Waste Transfer & Recycling Facility for Construction & Demolition Wastes.	Parkgate Quarry, Connor Road, Parkgate, Antrim.
X/2013/0336/RM	Approval of reserved matters relating to Phase 1A lands for the erection of 57 dwellings comprising mix of detached and semi-detached dwellings, open space and ancillary works.	Lands north of 262 Bangor Road, Beverley Way and Beverley Walk south of 270 Bangor Road and south-east of 219 Bangor Road, Newtownards.
Z/2011/1404/F	Demolition of existing office block and proposed erection of building for use as a waste	Wastebeater Offices, Blackstaff Road, Kennedy Way Industrial Estate, Belfast, BT11 9D

Annex A: Retained Planning Applications

	treatment and transfer facility for non-hazardous waste and ancillary works including weighbridge, offices and concrete hardstanding for access and parking.	
Z/2014/1473/F	Construction and operation of combined heat and power generating station - variation of Condition 6 (which restricted throughput to 120,000 tonnes per annum); and variation of condition 7 (which relates to the Transportation Service Management Plan) approved under planning reference Z/2012/1387/F.	7 Airport Road, Belfast
